Acronym List	
Chapter 1 Introduction	
1.0 Introduction.....	1-1
1.1 RCRA Closure and Corrective Action, Subtitle C	1-1
1.2 LUST Program.....	1-2
1.3 VRP.....	1-3
1.4 SCP	1-4
Chapter 2 RCRA Closure and Corrective Action Program	
2.0 Introduction.....	2-1
2.1 Definitions.....	2-2
2.2 Closure Overview	2-9
2.2.1 Closure Levels	2-9
2.2.2 Closure Regulations	2-10
2.3 Corrective Action Overview	2-10
2.4 Closure Plan Preparation.....	2-11
2.4.1 Facility Description.....	2-12
2.4.2 Description of Waste Management Units.....	2-12
2.4.3 Maps and Drawings	2-13
2.4.4 Containment Description	2-14
2.4.5 Hazardous Waste List	2-15
2.4.6 Air Emissions.....	2-15
2.4.7 Personnel Safety and Fire Prevention	2-15
2.4.8 Closure Schedule	2-15
2.4.9 Closure and Post-Closure Cost Estimates.....	2-16
2.4.10 Financial Assurance.....	2-16
2.5 Administrative Closure Procedures	2-17
2.5.1 Agency Review and Public Notice of Closure Plans.....	2-17
2.5.2 Request for Administrative Review.....	2-17
2.5.3 Time Extensions During the Closure Period	2-19
2.5.4 Closure Plan Modifications.....	2-19
2.5.5 Closure Certification Procedures	2-20
2.5.5.1 Submittal of Closure Plan and Certifications.....	2-20
2.5.5.2 Signatory Requirements.....	2-20
2.5.5.3 Certification of Closure.....	2-21
2.5.5.4 Status of Facility after Closure	2-22
2.5.5.5 Part A Permit Modification and Withdrawals	2-24

Table of Contents (Continued)

<u>Section</u>	<u>Page</u>
2.6	Closure Options 2-23
2.6.1	Closure by Removal or Decontamination..... 2-24
2.6.1.1	Decontamination Procedures 2-24
2.6.1.2	Soil remediation 2-29
2.6.2	Closure In Place – Industrial Closure 2-30
2.6.2.1	Industrial Closure Requirements..... 2-31
2.6.2.3	Care and Use of Property 2-32
2.6.2.4	Notices 2-33
2.6.2.5	Certification of Completion of Post-Closure Care..... 2-34
2.6.2.6	Summary of Requirements for Industrial Closure 2-34
2.6.3	Closure In Place – Land Disposal 2-34
2.6.3.1	Post-Closure Care 2-35
2.6.3.2	Location Documentation for Disposal Units 2-35
2.7	RCRA Corrective Action Process..... 2-36
2.7.1	Potential Source Identification..... 2-37
2.7.2	Release Assessment 2-38
2.7.3	Release Investigation 2-38
2.7.4	Evaluation and Selection of Appropriate Remediation Technology 2-38
2.7.5	Remediation of Releases..... 2-39
2.7.6	“No Further Action” Status..... 2-39
2.7.6.1	Remediation to Background Concentrations 2-39
2.7.6.2	Demonstration of Insignificant Threats to Human Health and the Environment 2-40
2.8	Sample Quality Assurance and Analytical Requirements 2-40
2.8.1	Sampling and Analysis Plans..... 2-40
2.8.2	Sampling Quality Assurance..... 2-41
2.8.3	Analytical Requirements..... 2-43
2.9	RCRA Soil Sampling..... 2-44
2.9.1	Soil Sampling Requirements..... 2-44
2.9.1.1	Constituent Evaluation..... 2-45
2.9.1.2	Closure Levels..... 2-45
2.9.1.3	Screening Sample Locations..... 2-46
2.9.2	Background Sampling..... 2-46
2.9.3	Sampling Considerations 2-47
2.9.3.1	Area Classification..... 2-48
2.9.3.2	Random and Directed Sampling 2-48
2.9.3.3	Sampling at Specific Units..... 2-50
2.9.4	Sampling to Determine the Nature and Extent of Contamination 2-51
2.9.5	Closure or Verification Sampling 2-51
2.9.6	Industrial Closure Soil Sampling 2-51

Table of Contents (Continued)

<u>Section</u>	<u>Page</u>
2.10 RCRA Ground Water Sampling	2-52
2.10.1 Sampling and Analysis Plan Requirements	2-53
2.10.1.1 Subpart F Unit Requirements.....	2-53
2.10.1.2 Non-Subpart F Unit Requirements	2-54
2.10.2 Ground Water Screening.....	2-54
2.10.2.1 Subpart F Unit Requirements.....	2-54
2.10.2.2 Non-Subpart F Unit Requirements	2-55
2.10.3 Characterization of the Nature and Extent of Contamination.....	2-56
2.10.3.1 Subpart F Unit Requirements.....	2-56
2.10.3.2 Non-Subpart F Unit Requirements	2-57
2.10.4 Ground Water Closure Sampling.....	2-58
2.10.4.1 Subpart F Unit Requirements.....	2-58
2.10.4.2 Non-Subpart F Unit Requirements	2-58
2.10.5 Industrial Closure Ground Water Sampling	2-59
Chapter 3 Leaking Underground Storage Tank Program	
3.0 Introduction.....	3-1
3.1 Process for LUST Sites.....	3-2
3.1.1 Release Reporting	3-3
3.1.2 Site Characterization.....	3-3
3.1.3 Soil Characterization.....	3-3
3.1.4 Ground Water Characterization	3-4
3.1.5 Closure	3-5
3.2 Initial Incident Reporting.....	3-7
3.2.1 Emergency Conditions.....	3-7
3.2.2 Confirmed Releases	3-7
3.2.3 Suspected Releases	3-8
3.2.4 Release Reporting.....	3-8
3.3 Site Prioritization	3-9
3.4 20-Day Abatement and Free Product Removal Reporting	3-10
3.5 LUST Site Investigation	3-11
3.5.1 Petroleum and Chemical USTs.....	3-11
3.5.2 Nondefault Guidance	3-12
3.5.3 Petroleum COCs	3-13
3.5.4 Subsurface Petroleum Characterization for In-Place USTs, Product Lines, and Pump Islands.....	3-14
3.5.5 QAPPs.....	3-17
3.5.6 Data Submission Requirements	3-17
3.6 Corrective Action Plans	3-18
3.6.1 Closure with Institutional Controls.....	3-20
3.6.2 Closure without Institutional Controls.....	3-21

Table of Contents (Continued)

<u>Section</u>	<u>Page</u>
3.7	Land Treatment..... 3-21
3.7.1	Land Treatment Plan..... 3-24
3.7.2	Off-Site Land Treatment..... 3-25
3.7.3	Land Treatment Field Sampling 3-27
3.7.4	Land Treatment Progress Reporting 3-27
3.7.5	Land Treatment Confirmation Sampling..... 3-28
3.8	Quarterly Reporting 3-29
3.9	Supplemental Information 3-30
3.10	ELTF Guidance..... 3-31
3.10.1	Deductibles 3-32
3.10.2	Examples of Eligible Expenses..... 3-33
3.10.3	Examples of Ineligible Expenses 3-34
3.10.4	Instructions for Application for ELTF Eligibility..... 3-37
 Chapter 4 Voluntary Remediation Program	
4.0	Introduction..... 4-1
4.1	Eligibility 4-1
4.2	Application Process 4-2
4.3	Voluntary Remediation Agreement 4-3
4.4	Program Limitations 4-4
4.4.1	Off-Site Source of Contamination 4-4
4.4.2	Resource Conservation and Recovery Act 4-4
4.4.3	Natural Resource Damages..... 4-5
4.4.4	Other Limitations 4-5
4.5	Participant Benefits..... 4-5
4.5.1	Reduce Threat of Federal Enforcement Actions..... 4-6
4.5.2	Facilitate Property Transfer 4-6
4.6	VRP Project Considerations 4-6
4.7	VRP Project Activities..... 4-8
4.7.1	Presampling Activities..... 4-8
4.7.1.1	Determining Level of Liability Coverage Desired 4-9
4.7.1.2	Evaluating Existing Information..... 4-10
4.7.1.3	Area Classification..... 4-10
4.7.1.4	Selecting Chemicals of Concern and Environmental Media 4-12
4.7.2	Optional Area Screening..... 4-14
4.7.3	Investigation..... 4-15
4.7.4	Remediation Work Plan Preparation 4-15
4.7.5	Community Relations Plan Preparation..... 4-16
4.7.6	Remediation Work Plan Implementation..... 4-16

Table of Contents (Continued)

<u>Section</u>	<u>Page</u>
4.7.7 Remediation Progress and Compliance Reporting	4-17
4.7.8 VRP Closure Site Location Information.....	4-17
4.7.9 Land Use Restrictions	4-18
4.7.10 Project Completion	4-19
4.7.11 Closure Report Preparation.....	4-20
4.7.12 Issuance of Certificate of Completion	4-21
4.7.13 Issuance of Covenant Not To Sue.....	4-21
Chapter 5 State Cleanup Program	
5.0 Introduction.....	5-1
5.1 Indiana Scoring Model.....	5-2
5.2 Indiana Commissioner’s Bulletin	5-2
5.3 Agreed Order	5-2
5.4 Site Investigation and Remediation	5-3
5.5 Community Relations Plan	5-3
5.6 Information Repository.....	5-4
5.7 Record of Decision	5-4
5.8 Administrative Record.....	5-4
5.9 Split Sampling.....	5-4
5.10 Natural Resources Damage Assessment.....	5-5
5.11 Site Closure.....	5-5
5.12 Remediation of Emergency Response Sites	5-6
5.12.1 Applicability	5-6
5.12.2 Process	5-6
5.13 Cleanup Guidance.....	5-7

LIST OF FIGURES

<u>Figure</u>	<u>Page</u>
2-1 Closure Activities Process	2-18
3-1 Illustration of Sampling Locations.....	3-16

LIST OF TABLES

<u>Table</u>	<u>Page</u>
2-1 Summary of Closure Options.....	2-25
2-2 RISC Three-Step Site Evaluation Process	2-47
3-1 Biodegradation Factors	3-23

3-2 Land Treatment Confirmatory Soil Sampling	3-28
5-1 Cleanup Guidance.....	5-7

Appendixes

Appendix 1 General Report Outline Formats.....	A.1-1
Appendix 2 RCRA Closure and Corrective Action Certifications.....	A 2-1
2.1 Closure Plan Certification Statement.....	A 2-2
2.2 Closure Certification Statement.....	A 2-3
Appendix 3 LUST Forms	A.3-1
Appendix 4.1 Chemicals of Concern for Sites Contaminated with Petroleum Petroleum Hydrocarbons Regulated Under IC 13-11 and 329 IAC 9	A4.1-1
Appendix 4.2 Default Subsurface Soil Petroleum Characterization for Sites Regulated Under IC 13-11 and 329 IAC 9	A4.2-1
ELTF Guidance.....	A5-1
